

include/utility/pythonian
/enumerate.hpp

```
graph TD; A["include/utility/pythonian/enumerate.hpp"] --> B["utility"]; A --> C["iterator"];
```

The diagram illustrates a C++ header file's dependencies. A top box labeled 'include/utility/pythonian/enumerate.hpp' has two blue arrows pointing down to two separate boxes labeled 'utility' and 'iterator', indicating that the enumerate.hpp file includes both of these headers.

utility

iterator
